

CITY OF TRASH

BIRD

MATERIALS

- two cans
- Cardboard or paper for wings, eyes, beak

STEP 1:

Glue two cans together
**Be careful of sharp edges..

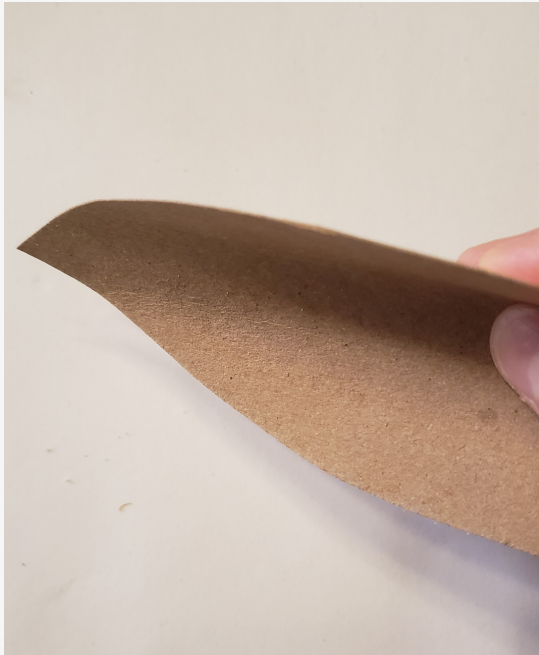

STEP 2:

Cut out two wings and fold the edge.

STEP 3:

Cut a few slits up to the fold.

STEP 4:

Gently bend/fold the wing so it can fit around the round can

STEP 5:

Glue the wings to the cans. The slits can bend to help the wing stay attached.

STEP 6:

Glue on eyes and beak. You can make eyes with white paper and add marker to make the pupil.
